

CRAIGCARE ASCOT WATERS

Signature

The **CraigCare Signature** Package is a deluxe option for residents, with everything meticulously considered to make CraigCare feel just like home and to ensure each day you are connected to what's important to you – family, friends, and lifestyle.

THE *Platinum* PACKAGE

CONCIERGE

Weekday access to your very own Concierge who will assist you with attending to all your needs and will support you with your daily activities including booking any medical appointments and arranging accompanied transport for you. Our Concierge will also help you stay connected with family (e.g. by delivering any messages daily, arranging birthday parties and private dinners and functions) and your local community (e.g. booking social events and organising accompanied transport on your behalf).

SMART TV

Smart TV will give you access to internet browsing and social media platforms (e.g. Skype, Facebook) and the opportunity to join online social community groups (e.g. to play games such as cards or online board games).

DINING UPGRADE

Our two-course lunch and three-course dinner includes a wider range of meal choices served with a choice of alcoholic beverages. There is also the option for a hot breakfast 7 days a week. You can also opt to have your meals delivered to you - just like room service.

SWIFT TECHNOLOGY

Swift technology offers you a wide range of entertainment options with free-to-air TV and radio, and a wide range of on-demand content from the latest blockbusters to a great selection of classic old movies.

Beyond this, there are amazing and unique features tailored specifically to our home.

My Family My Community

Our residents' family members and friends can share images and messages from anywhere in the world, direct to the screen of their loved ones. From family holidays to birthday parties, the My Family App is designed to make sure our residents never miss those important moments. The photos that are sent to your TV also become a digital album which will scroll on your TV when you are not using any of the content – another way to stay connected to your family.

Aged care content library

This includes a multitude of curated content specifically tailored towards residents in an aged care home including: virtual travel, trivia, relaxation videos, chair based exercises, dementia specific content, music therapy and vintage cinema.

Digital noticeboard for events in our home

As soon as you turn on your TV all lifestyle activities will be display so you do not miss an opportunity to participate in our social activities.

International radio stations

Access to international radio stations ensures our multicultural residents have access to their favourite radio programmes.

PREMIUM WIRELESS SOUND SYSTEM

Everyone loves to listen to their favourite music and when you get to stream it on our high quality, wireless sound system it is even better. You will have unlimited access to thousands of high quality audio tracks.

UNLIMITED TELEPHONE CALLS

With your own landline and direct number you can stay connected to family and friends with unlimited access to local calls.

CLUB HAPPY HOUR

Daily Happy Hour in our Signature Club is a great chance to get together and have a chat with fellow residents over drinks and nibbles alfresco or in our lounge area.

KING SINGLE BED

With increased surface area, the King single bed makes sleeping comfortably through the night much more likely and provides a real sense of luxury and space.

HAIRDRESSING OR PAMPER TREATMENTS

Monthly hairdressing or barber appointments, or a manicure or pedicure at our Swan Salon on ground floor means you can keep the confidence and happiness that comes from looking and feeling your best.

Alternatively, you may choose a luxurious and relaxing monthly massage. Regular massages aid relaxation, promotes a better sleep, relieves aches and pains, improves blood flow and circulation, and promotes increased happiness.
